You, are you that great?!

Is your father that powerful?!

How are you going to get out of this with this solid evidence?!

Is he the head of the police department?!

Go ahead! Do what you will! Hit me. Kill me!

I'll copy it again and just spread it all over the internet!

.....

You don't need me to say anything, do you?

"You" Bastard!

SLAM!

Resist arrest, murder, threatening witness, assault, destroying of evidence.

All of the above are your crimes.

It's over, The Moon Oh.

SMACK

So you're here to arrest me?

You think I'm going to back down?

If you pursue a case based on a vulgary work, I'm just get really stressful for you.

If you're going to do this, don't you need more solid proof?

Stop now.

This conversation was recorded.

...What?

Everything has been recorded.

The Moon Ok committed pre-meditated murder.

He tried to destroy evidence in the possession of Young Woo Nam.

Habitually threatened to kill him.

And did not show remorse even when facing the truth.

Before you say mine been able to wriggle your way out.

But it's different this time.

With this recording,

And Young Woo Nam's video and his testimony.

The Moon, you are under arrest for the murder of Hyo Won Kim and the crimes previously stated.

It won't be easy to get out this time.

...Ugh.

...Hyo Won Kim.

Hyo Won Kim.....!

He's dead and still getting in my way.....!

How you been doing dude?

Yeah, it's been crazy going in and out of the police station, but I'm good.

Is that police duty doing okay?

Yeah.

He's putting a lot of effort into this case.

Hmm.

Still don't trust him too much.

The Moon Ok that bastard can still get out.

He's still a minor, so the sentence won't be that harsh.

We should have just spruced it on the internet.

tsk

If it wasn't for you and those guys, I would never have thought to repeat it.

Hyo Min probably went to a good place, right?

Yeah. I'm pretty sure he's in heaven.

Now I'm pretty for his parents to the next life.

In the end he returned to his normal form too.

I didn't know if Hyo Min will forgive the moon.

Yeah... That's a relief.

But I hope you can get some revenge.

If it still bothers you, I'll do another soul appeasement ceremony.

Ew, it stinks!

Eat it quick!

In any case, did you know you have bad eyes?

Do you cry again?

It's a bit depressing.

No, it's very depressing...

Both Hyo Min the moon here... good kids.

If I had done more to fix things from the middle, these things wouldn't have happened.

I keep thinking those thoughts.

.....

This may sound cold, but it's no use focusing on things in the past.

If you keep focusing on and blaming yourself, even Hyo Min and Seoha will never like.

Remember that Hyo Min wanted you to live for him too.

So you need to focus on how to live left to the future for both you and Hyo Min.

Did you know, you talk very maturely.

No matter how old I am.

Shut up.

Anyway, if something else bothers you, call me.

You can call if you're bored too.

.....

Sure.

Mr. Si Hun Lee! What happened to the moon on?

He's being held at the station. Then he's going to court soon.

Who the solution to you taking this time?

What is this? Is this a prank or drama?

Hey, Dong Min Jang. Boxing Kitchen policeman.

But still, it was real. That's why he caught the hitting criminal.

He probably met him this time. Think about it like that.

Sure.

Whoa...

Why are you so down even after doing a good job?

Thinking about your grandmother's funeral is depressing, too.

But it's too late now.

Mr. Si Hun Lee is the strongest. Now you can't change it!

Why do you keep forcing on and blaming yourself? Even Hyo Min and Seoha will never like.

It's not going to listen to your excuses if doing something for yourself anymore!

You just need to live your own life.

So stop sighing and let's eat.

Eh, hungry? Let's eat here in celebrating of graduate, Heh!!
